\*Required for Accelerated BS/MD Program only

## HIGH SCHOOL CORE CURRICULUM

Applicable to the accelerated B.S./M.D. program offered through NEOMED and our three partner institutions; the University of Akron, Kent State University, and Youngstown State University. Refer to the partner institutions for information regarding high school core curriculum requirements.

## UG CURRICULUM REQUIREMENTS:

*College of Medicine* – varies by program/pathway.  
Additional details are available online at:  
<http://www.neomed.edu/admissions/medicine>  
*College of Pharmacy* – requires minimum of 72 semester credits of undergraduate level coursework.  
Additional details are available online at:  
<http://www.neomed.edu/admissions/pharmd>

*College of Graduate Studies* - requires an earned baccalaureate degree. Additional details are available at: <http://www.neomed.edu/admissions/cogs>

**SELECTION CRITERIA:** Admission is selective and cohort based for the majority of our educational programs. While NEOMED engages in holistic admission and selection processes that are linked to school mission and goals, and balance academic metrics, experiences and attributes as a means of promoting and creating a richly diverse student body, there are minimum academic benchmarks unique to each program/pathway that must be met for admission consideration, so please refer to the college website. Applicants are strongly encourage to review previous class profile data to better understand their level of competitiveness.
